

Asger Jark Kappel

IT | Product developer

About me

Cand.Scient.IT uddannet fra Aarhus Universitet. Ser frem til at starte min karriere inden for IT og lære af de bedste i branchen for at styrke mine færdigheder og opnå nye kompetencer. Jeg har interesse i alle aspekter af udvikling af IT-produkter, forståelse af brugernes behov og softwareudvikling og testing. Jeg er ansvarsbevest, kvalitetsorienteret og lærer hurtigt, dertil er jeg god til at arbejde i teams og selvstændigt.
